

Apply and Drive!

A Team of Proven Business Specialists. We share your vision...

Our teams of commercial specialists possess the type of industry knowledge and enthusiasm that will make securing financing for your commercial fleet straightforward and trouble-free.

Personalized Planning:

- From the moment you request vehicle financing, we consider the unique nature of how your company operates and suggest a financing plan that will maximize your fleet vehicle investment.
- You simply determine the number and types of vehicles. We will provide flexible finance terms built around your annual rate of cash flow and expected future vehicle values.

Sustainable Advantage

Leverage your company's net worth through NMAC's **SignatureBusiness™** lines of credit. With terms and provisions suited to your individual situation, you will find it is a very smart business decision!

Fleet vehicles are an essential investment!

We craft innovative financial solutions!

Fleet Finance Solutions

Custom Lines of Credit

Working capital is the cornerstone of any successful business venture.

We've created our line of credit program as a tool for principals and partners who know the value of accessible capital.

Benefits:

- With approved credit, our **SignatureBUSINESS™** – branded purchase and leasing programs allow you to choose the best fit for you.
- Our business-friendly credit plans provide a renewable source of financing.
- Your company image is supported by the vehicles you choose. Nissan and Infiniti can play a significant role in building your business brand.
- Our finance plans allow you to tailor loan terms according to the needs and image goals of your company.

One Approval One Solution

Time is money...

Following an initial review and approval of your application, you will be able to acquire vehicles when you need them.

As your business grows, your line of credit will be there to support each new venture.

Here are a few of the benefits of working with NMAC:

- All Nissan and Infiniti models qualify for vehicle financing.
- Pre-approved annual or semi-annual credit limits.
- Favorable tax treatments. Consult your tax advisor for more information.
- One call to the dealer gets it done.
- Competitive market rates.
- Single, monthly billing statement for all finance products.
- Down payment amounts or officer/owner guaranties are negotiable.

and...

- Added equipment, original equipment manufacturer accessories, and taxes are included.
- No commitment fees apply.
- Approved, extended warranties and after-market insurance products may qualify. Contact your Nissan or Infiniti dealer for a menu of approved items.
- Pre-owned service and fleet vehicles may be approved in the financing package. Terms and conditions will vary according to make and model.
- Purchase and lease contracts qualify.
